THE VICTORIA CROSS.

(Instituted 29th January, 1856.)

1. *Style.*—It is ordained that the distinction shall as heretofore be styled and designated "The Victoria Cross," and shall consist of a Maltese Cross of bronze with Our Royal Crest in the centre and underneath it an escroll bearing this inscription: "For Valour."

2. *Riband.*—It is ordained that the Cross shall be worn on the left breast pendant from a red riband of one inch and a half in width, and on those occasions when only the riband is worn a replica of the Cross in miniature shall be affixed to the centre of the riband.

3. *When awardable.*—It is ordained that the Cross shall only be awarded for most conspicuous bravery, or some daring or pre-eminent act of valour or self-sacrifice or extreme devotion to duty in the presence of the enemy.

4. *Posthumous award.*—It is ordained that the Cross may be awarded posthumously.

5. *Gazettement and registration.*—It is ordained that the names of all those persons upon or on account of whom We may be pleased to confer or present the Decoration shall be published in the *London Gazette*, and a Register thereof kept in the Office of Our Principal Secretary of State for War.

6. *Eligibility.*—It is ordained that the persons eligible for the Decoration of the Cross shall be:—

(1) Persons of any rank in the Naval, Military and Air Forces of Our United Kingdom of Great Britain and Northern Ireland, of Member Countries of the Commonwealth overseas, the Governments whereof have signified their desire that awards of the Cross shall be made under the provisions of this Our Warrant, of our Colonies or Our other Territories or of the Territories under Our Protection or Administration (including members of the Home Guard and any lawfully constituted Force corresponding thereto), and including also members of the Naval, Military and Air Force Nursing Services and of the Women's Auxiliary Services;

(2) Members of Our Merchant Navy;

(3) Our faithful subjects and persons under Our protection in civil life, male and female, serving regularly or temporarily under the orders, directions or supervision of any of the above-mentioned Forces or Services.

7. *Bars.*—It is ordained that if any recipient of the Cross shall again perform such an act of bravery as would have made him or her eligible to receive the Cross, such further act of bravery shall be recorded by a Bar to be attached to the

riband by which the Cross is suspended, and for every such additional act of bravery, an additional Bar shall be added, and any such Bar or Bars may be awarded posthumously. For every Bar awarded a replica of the Cross in miniature shall be added to the riband when worn alone.

8. *Recommendations.*—It is ordained that every recommendation for the award of the Decoration of the Cross shall be made and reported through the usual channel to the Senior Naval, Military or Air Force Officer Commanding the Force, who shall call for such description, conclusive proof as far as the circumstances of the case will allow, and attestation of the act as he may think requisite, and if he approve he shall recommend the grant of the Decoration to Our Lords Commissioners of the Admiralty, Our Secretary of State for War or our Secretary of State for Air as the case may be, or, in the case of any Member Country of the Commonwealth Overseas, the Government whereof shall so desire, the appropriate Minister of State for the said Member Country, who shall submit to Us the names of every one so recommended whom they shall consider worthy.

King Edward VII's Hospital for Officers

Sister Agnes, Founder

BEAUMONT HOUSE, BEAUMONT STREET, W.1

All commissioned officers of the three services, retired or ex-temporary, are eligible for admission. The Hospital has both private rooms and small wards.

The Council has as its object the provision of the best medical and surgical facilities at the lowest possible cost. Serving officers are entitled to free nursing and maintenance in the shared rooms. Other officers are asked to pay from 10 to 15 guineas for private rooms and 7 to 10 guineas for a shared room or ward bed. The 10 guinea rate is the charge for a private room for anyone who has previously supported the Hospital, or belongs to a Regiment or firm with whom we have made an arrangement, but the ability of the patient to pay is always considered and there is a generously administered Samaritan Fund for those in straitened circumstances. Extra charges are kept to the minimum, and are constantly reviewed.

The Hospital is mainly for surgical and medical cases, and has its own Resident Medical Officer, X-ray and Physiotherapy departments.

The Hospital has its own consultant staff, whose fees are in accordance with the patient's means, on a scale approved by the Council. Patients may, however, still make their own arrangements with any physician or surgeon of their choice if they so desire.

The Hospital is outside the National Health Service and is therefore entirely dependent on voluntary aid. Supporters are asked to pay £1 or more by banker's order, which can be obtained from the Appeals Secretary, 15, Ormond Yard, Duke of York Street, S.W.1, who will also be pleased to receive donations.

Applications for admission should be made to the Matron through the patient's doctor. **HUNTER 4411**

THE ROYAL AIR FORCE BENEVOLENT FUND

(For the help of all ranks in memory of those who died serving)

Head Office : 67, PORTLAND PLACE, W.1

Telephone :—LANGHAM 8343-7

(Registered under the War Charities Act, 1940)

Patron : HER MAJESTY THE QUEEN

President : H.R.H PRINCESS MARINA DUCHESS OF KENT

**Chairman of Council: The Rt. Hon. VISCOUNT KNOLLYS,
G.C.M.G., M.B.E., D.F.C.**

THE ROYAL AIR FORCE BENEVOLENT FUND was founded in October 1919, by the late Viscount Trenchard to secure lasting benefits for the personnel of the Flying Services and their dependants in commemoration of their achievements during the Great War 1914-18.

A Memorial to the Officers and Men who lost their lives stands on Victoria Embankment overlooking the Thames, and was unveiled by H.R.H. the Prince of Wales in July, 1923. An inscription, in remembrance of those men and women of the Air Forces of every part of the British Commonwealth and Empire who gave their lives in the 1939-45 war, was unveiled by Marshal of the Royal Air Force Viscount Trenchard at a ceremony on 15th September, 1946.

The Fund exists for the relief of "distress" or need, actual or potential, among past and present members of the Royal Air Force, Royal Auxiliary Air Force, Royal Air Force Reserves, Women's Royal Air Force—and their dependants. It must, therefore, be prepared to help :—

The disabled, and the dependants of those killed flying.

Other casualties and their dependants.

Sufferers on account of sickness and general distress.

Expenditure on all forms of relief in 1961 amounted to £580,087. In the first year of the Fund's existence, 1919-20, it is noteworthy that the help given amounted to £919, and since then, a total of over £10 million has been disbursed on all forms of assistance. Of this amount over £9 million has been expended since V.J. day, 1945.

The Royal Air Force Benevolent Fund exists for a Service that trains as well as fights in the air, and provides relief for cases arising from casualties in war as well as from flying accidents and ordinary distress in peace. It must therefore be prepared to render help indefinitely.

The Council trust therefore that the Service and general Public will respond generously and unremittingly to their appeal, and so enable the Fund to continue its increasingly valuable work.

How to send Help

Cheques, etc., which will be gratefully acknowledged, should be made payable to :—

KITCHENER MEDICAL AND DENTAL SERVICES SCHOLARSHIPS

Medical and Dental Services scholarships, for which the money is provided by the Services, are awarded annually,

- (a) to sons of officers and men or women, or of ex-officers and men or women, of the Regular Forces, or
- (b) to sons of officers and men or women, or of ex-officers and men or women, of the Reserve and Auxiliary Forces who served in the Great War of 1914-18 and/or the World War of 1939-45,

who are over 17 and under 20 years of age on the 1st January of the year of competing (but the Committee may consider applicants over 20 who had before that age begun an approved medical or dental course) and who require financial assistance to enable them to undergo a course of medical or dental education with a view to obtaining commissions in the Medical or Dental Branches of the Royal Navy, the Army or Royal Air Force.

Twelve scholarships are at present offered annually, normally two for medicine and two for dentistry for each of the three Services. The value of each scholarship is dependent on the financial resources of the scholar's family. A scholar who obtains a Local Education Authority award and has no other personal income will receive a supplementation up to a maximum of £100 p.a. The scholarships are granted on the condition that the scholar, on becoming qualified to practise medicine and surgery, or dentistry, will apply at once for a commission under the current Regulations in the Medical or Dental Branch of the Service for which he was selected and that, if granted such a commission, he will render not less than five years' actual service on full pay; if, however, he does not continue in the Service and serve for at least fifteen years, the money spent by the Service on his scholarship will be deducted from any gratuity that may be due to him on relinquishing his commission.

Applications must be submitted by the end of February of each year.

Application forms and further details of these and other Kitchener Scholarships for University courses for sons of Service parents may be obtained from—

The Star and Garter Home

Disabled Sailors, Soldiers and Airmen

RICHMOND, SURREY

Patron : Her Majesty The Queen.

*President : Field-Marshal The Rt. Hon.
The Viscount Alanbrooke of
Brookeborough, K.G., G.C.B.,
O.M., G.C.V.O., D.S.O.*

*Chairman of Governors : Marshal of the Royal Air Force
Sir John C. Slessor, G.C.B.,
D.S.O., M.C.*

The Home stands on the site on Richmond Hill of the old Star and Garter Hotel, famous for 200 years, which early in the first World War, with the generous help of the Chartered Auctioneers and Estate Agents' Institute, was converted for the care of men seriously wounded.

When the War ended, a new Home was built, the funds for this being largely subscribed by the women of Britain and the Commonwealth, whose special War Memorial it is. The new building was opened by King George V and Queen Mary in 1924.

The Home provides happy and permanent accommodation for disabled ex-Servicemen and gives them the best possible medical treatment. It accommodates 200 patients with 100 men on the waiting list. A few of the patients are veterans of the Boer War, one half served in World War I and the remainder served subsequently, a large number in World War II.

It is an independent charity and not part of the National Health Service. Rising costs over the years have steadily widened the gap between expenditure and reliable income. An average of nearly £30,000 is required each year to bridge this gap.

Financial help is needed to enable the Home to continue as its founders would have wished. Donations would be gratefully received by the Commandant at The Star and Garter Home, Richmond, Surrey. Telephone: RICHmond 3314.

FOR H.M. SERVICE.**

HIS ROYAL HIGHNESS the COMMANDER-IN-CHIEF is prepared to receive

 **Proposals from Persons**

desirous of submitting for competitive trial RANGE FINDERS, which shall fulfil the following conditions, viz. :—

- (1). The instrument must be strong and simple and must not require frequent adjustment, nor extraordinary precautions against the exigencies of Field Service and effects of climate and weather.
- (2). It must be possible for one Infantry Soldier to carry the entire apparatus, in addition to his rifle and ordinary equipment, both on the march and in action.
- (3). A person of ordinary intelligence and normal vision must be able to become an efficient range taker after a month's training.
- (4). The system must be suitable for the observation of moving objects, especially troops of all arms in the usual formations up to 1200 yards distance.
- (5). It must be practicable to make at least four observations per minute with an average error, at 1000 yards, not exceeding 4 per cent. of the range.
- (6). The range must be read in yards without recourse to calculation.
- (7). The number of observers required for each instrument or set of instruments must not exceed two.
- (8). Other considerations being equal, preference will be given to the proposals being equal, preference and

on seeing this invitation to tender in 1888 successfully submitted a rangefinder of revolutionary design which proved to be the forerunner of all modern precision rangefinders.

In the 75 years since then, Barr & Stroud have extended their activities continually, maintaining their position as one of the world's leading manufacturers of optical, mechanical and electronic equipment for the services, industry and research.
